

Head of yield trialing Sugar Beet (m/w/d)

Ort: Schlanstedt
Vollzeit
festangestellt

Our profile

Strube D&S GmbH is one of the leading international companies in the area of plant breeding and seed provider based in Germany. Today, Strube breeds sugar beet, wheat and distributes seeds for sunflowers, chickpeas and soybean in more than 40 countries. The company's research and development departments use state-of-the-art technologies to ensure a high-performance and highly innovative product range. Further information about the company is also available at ["About us"](#).

For our breeding & product management team sugar beet, we are looking for someone to work full-time (40 hours/week) for our headquarters in Schlanstedt as soon as possible:

Head of yield trialing Sugar Beet (m/w/d)

Your tasks

- Responsibility and lead of our yield trials in Sugar Beet breeding
- Planning, organization, realization and supervision of our international yield trials
- Trial documentation and result gathering
- Organization and control of our Sugar Beet breeding analysis lab
- Contact to and communication with our trial conducting farmers, official and external trial operators
- You work in very close collaboration with our Sugar Beet breeders and further internal interfaces
- Lead of our yield trialing team
- Develop, plan and optimise sugar beet breeding programs

Your profile

- LTA, Bachelor or Master in Agricultural Science, Biology or Horticulture
- Sound experience in trial planning and operation
- Profound experience in team leading
- Basic knowledge in biostatistics is a plus
- Efficient, organised and pragmatic, you are proactive, foresighted and result-oriented
- Team player and excellent communication skills
- Your excellent organisation allows you to manage a wide range of tasks with multiple stakeholders
- Frequent international travels, ca. 40% of your time
- Familiar with the use of MS Office and data base programs
- Very good language skills of German and English with the interest in learning other languages
- Driving license of type B
